

Dear Ahmad Raza,

I hope you will be doing well.

Stepinnsolution is pleased to offer you the internship for Laravel Web Developer. Your skills and experience will be an ideal fit for our department.

As we discussed, you're starting date on 01. Jan. 2021. The starting salary is 8,000 per month. We will review your performance after 3 months of joining and will give you 16,000 bonus salary and will raise on the basis of your performance, discipline and dedication. This bonus will be released with 4th month salary.

Benefits for employee

- 1- Provident fund will be for the permanent employee (Will start after 1 year of join)
- 2- Medical (10%) of current basis salary of all permanent employee
- 3- Marriage allow (10%) of current basis salary of all permanent employee
- 4- Best performance bonus on the time of project approval

We will sign a yearly contract in which you will be working for us for a year. After that, it will depend upon your choice and company if both agree to continue. If you would like to leave the company, you will need to resign properly at one-month prior notice. For the agreement, you will need to provide a copy of your National Identity Card and 1 reference with his Copy of National Identity Card and active mobile number. Two references must be provided. One must be from your blood relations and another from your friends.

Please also provide 2 addresses.

Address 1: Your permanent home address

Address 2: Your current residence

We look forward to welcoming you to the Stepinnsolution team.

Regards

Jahanzaib Iqbal
